

Statement related to Social Media State Pages/Groups:

All posts require approval but all posts may not be approved.

Posts related to any of the following must be approved:

- USA Powerlifting sponsor,
- Regional Training Center,
- USA Powerlifting Gym or
- sanctioned events, such as meets, Camps and Coaching Clinics

They should be allowed to advertise on our social media pages. Also, you should be allowing athletes to highlight their lifting and successes at their USA Powerlifting events in your state.

Posts not allowed are anything related to non-sanctioned or other federation events and sales of products from businesses, who are not USA Powerlifting sponsors or sponsors of your events.
